Application for Genomic Testing

This application can be used for genomic testing; please indicate testing required for each animal

Owner Information:

Name:		**Prefix (If Applicable):**	
Email:		**Contact Phone #**	
Signature:		**Date:**	

Submitter Information (if different from Owner)**:**

Name:		**Prefix (If Applicable):**	
Email:		**Contact Phone #**	

Animal Information				Breeding Values			Recessive Testing							
Herdbook Number or Name	National ID	DOB	Parentage	Genomic ABV	ABV(g) + TPI(g)*	A2	Polled	Red Carrier	CVM	Blad	Brachyspina	Other

*Genomics can be used for parentage verification.
To do this both parents must be genomic tested to allow ET animals to qualify for herdbook registration.
